

Falmouth Supplementary Regulations

March 11, 1999	Type of Service & Contributions	<p>Effective this day... any active member of the Falmouth Retirement System who can prove prior seasonal, temporary or otherwise non-eligible service as an employee of the Town of Falmouth will be allowed to purchase this type of service as long as documentation can be recovered to support this type of employment and the member is an active member of this system.</p> <p>The following information will be required to support and calculate contributions owed, plus interest, and service rendered: total income gained through this employment; hourly wage received; hours worked; period of time covered. The calculation of creditable service will be based on actual hours worked, the sum of which is to be either reported to this office through payroll records and/or determined using the employees hourly wage as submitted to this office by the Treasurers' records or computer payroll printout indicating total income paid for the period of time worked.</p>
February 14, 1994	Regular Compensation	Paramedic and EMT specialization pay received by town of Falmouth fire fighters is regular compensation.
December 27, 1993	Regular Deductions	Members who have been receiving workers' compensation benefits and return to work under partial workers' compensation benefits and part-time work shall have deductions made on the part-time employment compensation.
September 29, 1993	Creditable Service	Members who are receiving partial workers' compensation benefits and return to employment will be required to contribute to the system regardless of the number of hours employed and will receive full creditable service for such contribution. No contributions either from the member or governmental unit will be required with respect to the workers' compensation benefits paid for partial incapacity.
May 18, 1993	Buy-Backs	Members re-depositing funds or purchasing service credit will be allowed to make payment in one lump sum or in scheduled installment payments made directly to the retirement system as approved by the retirement board. If installment payments are made, service credit will be applied to the member's record upon final payment.
June 25, 1991	Creditable Service	Members who have previous CETA employment on which no retirement deductions were taken due to ineligibility for membership at the time of that employment based on its temporary nature, will be allowed to pay late entry make-up payments and receive

		creditable service for such CETA employment. Excluded will be intermittent, sporadic employment of limited duration and the type of service that would not create an expectation that he/she would become entitled to the right to membership in a Massachusetts retirement system.
December 19, 1986	Creditable Service	Any person who becomes a member, who was eligible to join the system on July 1, 1941, the effective date of the Retirement System, or who was not eligible to join because of the type of employment, who claims any previous period of part-time, provisional, temporary, temporary provisional, seasonal or intermittent employment or service shall be credited with an accumulated total of actual time worked. The accumulated total shall be credited in full months and any fraction thereof shall be credited to the nearest full month. Nothing in this rule shall be construed to prevent any member from claiming creditable service under any other provisions of Sections 1 to 28 inclusive of chapter.
December 19, 1986	Membership	In all cases involving part-time, provisional, temporary provisional or intermittent employment or service of any employee in this governmental unit, the board shall have and exercise full jurisdiction to determine such employee's eligibility for membership; provided that any person holding a position for which the annual compensation is fixed in an amount of \$200 or less, and/or the duties of such position require less than 20 hours, regularly, in the service of this governmental unit during the regular work week of permanent or temporary employment shall not be eligible for membership.
December 22, 1986	Membership	In order to be eligible for membership in the retirement system, "the employee must work a minimum of 50% of a normal 40 hour work week, therefore 20 hours." If the employee does not work the minimum 20 hours per week, he or she is not eligible for membership in this contributory retirement system.
December 19, 1986	Creditable Service	In all cases involving a part time provisional seasonal or intermittent employment or service of any employee, including such employment or service in a municipal office or position, the Board shall fix and determine the amount of creditable service; provided that one full work week as defined for such position by a collective bargaining agreement, the Town of Falmouth Salary Administration Plan or Department of Education, equal one full work week of creditable service and that any lesser period shall receive the applicable percentage of creditable service; provided that in the case of food service workers employed in the school lunch program and other
